INFORMATION TECHNOLOGY SCHEDULE PRICELIST
GENERAL PURPOSE COMMERCIAL INFORMATION TECHNOLOGY
EQUIPMENT, SOFTWARE AND SERVICES

Special Item No. 132-51 Information Technology Professional Services

Modification PO-0001

SIN 132-51 - INFORMATION TECHNOLOGY (IT) PROFESSIONAL SERVICES

FPDS Code D301	IT Facility Operation and Maintenance
FPDS Code D302	IT Systems Development Services
FPDS Code D306	IT Systems Analysis Services
FPDS Code D307	Automated Information Systems Design and Integration Services
FPDS Code D308	Programming Services
FPDS Code D311	IT Data Conversion Services
FPDS Code D399	Other Information Technology Services, Not Elsewhere Classified

Note 1: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.

Note 2: Offerors and Agencies are advised that the Group 70 – Information Technology Schedule is not to be used as a means to procure services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering, mapping, cartographic production, remote sensing, geographic information systems, and related services. FAR 36.6 distinguishes between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally accepted A/E Services.

Note 3: This solicitation is not intended to solicit for the reselling of IT Professional Services, except for the provision of implementation, maintenance, integration, or training services in direct support of a product. Under such circumstances the services must be performance by the publisher or manufacturer or one of their authorized agents.

Maverick Systems, LLC

USA COMMITMENT TO PROMOTE SMALL BUSINESS PARTICIPATION
PROCUREMENT PROGRAMS 120

INFORMATION FOR ORDERING ACTIVITIES APPLICABLE TO ALL SPECIAL ITEM NUMBERS

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Acquisition Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

1. GEOGRAPHIC SCOPE OF CONTRACT:

Domestic delivery is delivery within the 48 contiguous states, Alaska, Hawaii, Puerto Rico, Washington, DC, and U.S. Territories. Domestic delivery also includes a port or consolidation point, within the aforementioned areas, for orders received from overseas activities.

Overseas delivery is delivery to points outside of the 48 contiguous states, Washington, DC, Alaska, Hawaii, Puerto Rico, and U.S. Territories.

Offerors are requested to check one of the following boxes:

- The Geographic Scope of Contract will be domestic and overseas delivery.
- The Geographic Scope of Contract will be overseas delivery only.
- The Geographic Scope of Contract will be domestic delivery only.

2. CONTRACTOR'S ORDERING ADDRESS AND PAYMENT INFORMATION:

Maverick Systems LLC
1145 Bannock Street
Denver, Colorado 80204
Telephone: (303) 309-3068
Facsimile: (303) 309-3080

Contractors are required to accept credit cards for payments equal to or less than the micro-purchase threshold for oral or written delivery orders. Credit cards will be acceptable for payment above the micro-purchase threshold. In addition, bank account information for wire transfer payments will be shown on the invoice.

The following telephone number(s) can be used by ordering activities to obtain technical and/or ordering assistance:

303-309-3068 Marjorie Allison OR

303-309-3060 Jon Pool

3. LIABILITY FOR INJURY OR DAMAGE

The Contractor shall not be liable for any injury to ordering activity personnel or damage to ordering activity property arising from the use of equipment maintained by the Contractor, unless such injury or damage is due to the fault or negligence of the Contractor.

4. STATICAL DATA FOR GOVERNMENT ORDERING OFFICE COMPLETION OF STANDARD FORM 279:

Block 9: G. Order/Modification Under Federal Schedule FCIS-JB-980001B Refresh 22
Block 16: Data Universal Numbering System (DUNS) Number: 837104129
Block 30: Type of Contractor – B. Other Small Business

- A. Small Disadvantaged Business
- B. Other Small Business
- C. Large Business
- G. Other Nonprofit Organization
- L. Foreign Contractor

Block 31: Woman-Owned Small Business - No
Block 36: Contractor's Taxpayer Identification Number (TIN): 84-1530586

- 4a. CAGE Code: ITQX6
- 4b. Contractor has registered with the Central Contractor Registration Database.

5. FOB: DESTINATION

6. DELIVERY SCHEDULE

- a. TIME OF DELIVERY: The Contractor shall deliver to destination within the number of calendar days after receipt of order (ARO), as set forth below:

SPECIAL ITEM NUMBER	DELIVERY TIME (Days ARO)
___132-51___	___30___ Days

Other Delivery Times may be negotiated between the Contractor and the Ordering Agency

- b. URGENT REQUIREMENTS: When the Federal Supply Schedule contract delivery period does not meet the bona fide urgent delivery requirements of an ordering activity, ordering activities are encouraged, if time permits, to contact the Contractor for the purpose of obtaining accelerated delivery. The Contractor shall reply to the inquiry within 3 workdays after receipt. (Telephonic replies shall be confirmed by the Contractor in writing.) If the Contractor offers an accelerated delivery time acceptable to the ordering activity, any order(s) placed pursuant to the agreed upon accelerated delivery time frame shall be delivered within this shorter delivery time and in accordance with all other terms and conditions of the contract.

7. DISCOUNTS: Prices shown are NET Prices; Basic Discounts have been deducted.

- a. Prompt Payment: ___0% - ___ days from receipt of invoice or date of acceptance, whichever is later.
- b. Quantity--NA
- c. Dollar Volume--1% on all orders equal to or below \$500,000.00. 2% discount on all orders above \$500,000.00. Pricelist reflects net prices after discounts.
- d. Government Educational Institutions-- Government Educational Institutions are offered the same discounts as all other Government customers
- e. Other--None

8. TRADE AGREEMENTS ACT OF 1979, as amended:

All items are U.S. made end products, designated country end products, Caribbean Basin country end products, Canadian end products, or Mexican end products as defined in the Trade Agreements Act of 1979, as amended.

9. STATEMENT CONCERNING AVAILABILITY OF EXPORT PACKING: Not Applicable

10. Small Requirements: The minimum dollar value of orders to be issued is \$100.00.

11. MAXIMUM ORDER (All dollar amounts are exclusive of any discount for prompt payment.)

- a. The Maximum Order value for the following Special Item Numbers (SINs) is \$500,000:

Special Item Number 132-51 - Information Technology (IT) Professional Services

12. ORDERING PROCEDURES FOR FEDERAL SUPPLY SCHEDULE CONTRACTS

Ordering activities shall use the ordering procedures of Federal Acquisition Regulation (FAR) 8.405 when placing an order or establishing a BPA for supplies or services. These procedures apply to all schedules.

- a. FAR 8.405-1 Ordering procedures for supplies, and services not requiring a statement of work.
b. FAR 8.405-2 Ordering procedures for services requiring a statement of work.

13. FEDERAL INFORMATION TECHNOLOGY/TELECOMMUNICATION STANDARDS

REQUIREMENTS: ordering activities acquiring products from this Schedule must comply with the provisions of the Federal Standards Program, as appropriate (reference: NIST Federal Standards Index). Inquiries to determine whether or not specific products listed herein comply with Federal Information Processing Standards (FIPS) or Federal Telecommunication Standards (FED-STDS), which are cited by ordering activities, shall be responded to promptly by the Contractor.

13.1 FEDERAL INFORMATION PROCESSING STANDARDS PUBLICATIONS (FIPS PUBS):

Information Technology products under this Schedule that do not conform to Federal Information Processing Standards (FIPS) should not be acquired unless a waiver has been granted in accordance with the applicable "FIPS Publication." Federal Information Processing Standards Publications (FIPS PUBS) are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Information concerning their availability and applicability should be obtained from the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, Virginia 22161. FIPS PUBS include voluntary standards when these are adopted for Federal use. Individual orders for FIPS PUBS should be referred to the NTIS Sales Office, and orders for subscription service should be referred to the NTIS Subscription Officer, both at the above address, or telephone number (703) 487-4650.

13.2 FEDERAL TELECOMMUNICATION STANDARDS (FED-STDS): Telecommunication products under this Schedule that do not conform to Federal Telecommunication Standards (FED-STDS) should not be acquired unless a waiver has been granted in accordance with the applicable "FED-STD." Federal Telecommunication Standards are issued by the U.S. Department of Commerce, National Institute of Standards and Technology (NIST), pursuant to National Security Act. Ordering information and information concerning the availability of FED-STDS should be obtained from the GSA, Federal Acquisition Service, Specification Section, 470 East L'Enfant Plaza, Suite 8100, SW, Washington, DC 20407, telephone number (202)619-8925. Please include a

self-addressed mailing label when requesting information by mail. Information concerning their applicability can be obtained by writing or calling the U.S. Department of Commerce, National Institute of Standards and Technology, Gaithersburg, MD 20899, telephone number (301)975-2833.

14. CONTRACTOR TASKS / SPECIAL REQUIREMENTS (C-FSS-370) (NOV 2003)

- (a) Security Clearances: The Contractor may be required to obtain/possess varying levels of security clearances in the performance of orders issued under this contract. All costs associated with obtaining/possessing such security clearances should be factored into the price offered under the Multiple Award Schedule.

15. CONTRACT ADMINISTRATION FOR ORDERING ACTIVITIES: Any ordering activity, with respect to any one or more delivery orders placed by it under this contract, may exercise the same rights of termination as might the GSA Contracting Officer under provisions of FAR 52.212-4, paragraphs (l) Termination for the ordering activity's convenience, and (m) Termination for Cause (See 52.212-4)

16. GSA ADVANTAGE!

GSA Advantage! is an on-line, interactive electronic information and ordering system that provides on-line access to vendors' schedule prices with ordering information. GSA Advantage! will allow the user to perform various searches across all contracts including, but not limited to:

- (1) Manufacturer;
- (2) Manufacturer's Part Number; and
- (3) Product categories.

Agencies can browse GSA Advantage! by accessing the Internet World Wide Web utilizing a browser (ex.: NetScape). The Internet address is <http://www.fss.gsa.gov/>.

17. PURCHASE OF OPEN MARKET ITEMS

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated as open market purchases. Ordering Activities procuring open market items must follow FAR 8.402(f).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, **only if-**

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;
- (3) The items are clearly labeled on the order as items not on the Federal Supply Schedule; and
- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

- (1) Time of delivery/installation quotations for individual orders;
- (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/ service/software package submitted in response to requirements which result in orders under this schedule contract.
- (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

19. OVERSEAS ACTIVITIES

The terms and conditions of this contract shall apply to all orders for installation, maintenance and repair of equipment in areas listed in the pricelist outside the 48 contiguous states and the District of Columbia, except as indicated below:

None

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

21. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Industrial Funding Fee and Sales Reporting, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

23. SECTION 508 COMPLIANCE.

If applicable, Section 508 compliance information on the supplies and services in this contract are available in Electronic and Information Technology (EIT) at the following:

Maverick Systems LLC 1145 Bannock Street Denver, Colorado 80204

The EIT standard can be found at: www.Section508.gov/.

24. PRIME CONTRACTOR ORDERING FROM FEDERAL SUPPLY SCHEDULES.

Prime Contractors (on cost reimbursement contracts) placing orders under Federal Supply Schedules, on behalf of an ordering activity, shall follow the terms of the applicable schedule and authorization and include with each order –

- (a) A copy of the authorization from the ordering activity with whom the contractor has the prime contract (unless a copy was previously furnished to the Federal Supply Schedule contractor); and
- (b) The following statement:

This order is placed under written authorization from _____ dated _____. In the event of any inconsistency between the terms and conditions of this order and those of your Federal Supply Schedule contract, the latter will govern.

25. INSURANCE—WORK ON A GOVERNMENT INSTALLATION (JAN 1997)(FAR 52.228-5)

- (a) The Contractor shall, at its own expense, provide and maintain during the entire performance of this contract, at least the kinds and minimum amounts of insurance required in the Schedule or elsewhere in the contract.
- (b) Before commencing work under this contract, the Contractor shall notify the Contracting Officer in writing that the required insurance has been obtained. The policies evidencing required insurance shall contain an endorsement to the effect that any cancellation or any material change adversely affecting the Government's interest shall not be effective—

- (1) For such period as the laws of the State in which this contract is to be performed prescribe; or

(2) Until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer, whichever period is longer.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in subcontracts under this contract that require work on a Government installation and shall require subcontractors to provide and maintain the insurance required in the Schedule or elsewhere in the contract. The Contractor shall maintain a copy of all subcontractors' proofs of required insurance, and shall make copies available to the Contracting Officer upon request.

26. SOFTWARE INTEROPERABILITY.

Offerors are encouraged to identify within their software items any component interfaces that support open standard interoperability. An item's interface may be identified as interoperable on the basis of participation in a Government agency-sponsored program or in an independent organization program.

27. ADVANCE PAYMENTS

A payment under this contract to provide a service or deliver an article for the United States Government may not be more than the value of the service already provided or the article already delivered. Advance or pre-payment is not authorized or allowed under this contract. (31 U.S.C. 3324)

**TERMS AND CONDITIONS APPLICABLE TO INFORMATION TECHNOLOGY (IT)
PROFESSIONAL SERVICES (SPECIAL ITEM NUMBER 132-51)**

1. SCOPE

- a. The prices, terms and conditions stated under Special Item Number 132-51 Information Technology Professional Services apply exclusively to IT/EC Services within the scope of this Information Technology Schedule.
- b. The Contractor shall provide services at the Contractor's facility and/or at the ordering activity location, as agreed to by the Contractor and the ordering activity.

2. PERFORMANCE INCENTIVES

- a. Performance incentives may be agreed upon between the Contractor and the ordering activity on individual fixed price orders or Blanket Purchase Agreements under this contract in accordance with this clause.
- b. The ordering activity must establish a maximum performance incentive price for these services and/or total solutions on individual orders or Blanket Purchase Agreements.
- c. Incentives should be designed to relate results achieved by the contractor to specified targets. To the maximum extent practicable, ordering activities shall consider establishing incentives where performance is critical to the ordering activity's mission and incentives are likely to motivate the contractor. Incentives shall be based on objectively measurable tasks.

3. ORDER

- a. Agencies may use written orders, EDI orders, blanket purchase agreements, individual purchase orders, or task orders for ordering services under this contract. Blanket Purchase Agreements shall not extend beyond the end of the contract period; all services and delivery shall be made and the contract terms and conditions shall continue in effect until the completion of the order. Orders for tasks which extend beyond the fiscal year for which funds are available shall include FAR 52.232-19 (Deviation – May 2003) Availability of Funds for the Next Fiscal Year. The purchase order shall specify the availability of funds and the period for which funds are available.
- b. All task orders are subject to the terms and conditions of the contract. In the event of conflict between a task order and the contract, the contract will take precedence.

4. PERFORMANCE OF SERVICES

- a. The Contractor shall commence performance of services on the date agreed to by the Contractor and the ordering activity.
- b. The Contractor agrees to render services only during normal working hours, unless otherwise agreed to by the Contractor and the ordering activity.
- c. The ordering activity should include the criteria for satisfactory completion for each task in the Statement of Work or Delivery Order. Services shall be completed in a good and workmanlike manner.
- d. Any Contractor travel required in the performance of IT Services must comply with the Federal Travel Regulation or Joint Travel Regulations, as applicable, in effect on the date(s) the travel is performed. Established Federal Government per diem rates will apply to all Contractor travel. Contractors cannot use GSA city pair contracts.

5. STOP-WORK ORDER (FAR 52.242-15) (AUG 1989)

(a) The Contracting Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of 90 days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Contracting Officer shall either-

- (1) Cancel the stop-work order; or
- (2) Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.

(b) If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Contractor shall resume work. The Contracting Officer shall make an equitable adjustment in the delivery schedule or contract price, or both, and the contract shall be modified, in writing, accordingly, if-

- (1) The stop-work order results in an increase in the time required for, or in the Contractor's cost properly allocable to, the performance of any part of this contract; and
- (2) The Contractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided, that, if the Contracting Officer decides the facts justify the action, the Contracting Officer may receive and act upon the claim submitted at any time before final payment under this contract.

(c) If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Contracting Officer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.

(d) If a stop-work order is not canceled and the work covered by the order is terminated for default, the Contracting Officer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order.

6. INSPECTION OF SERVICES

The Inspection of Services-Fixed Price (AUG 1996) (Deviation – May 2003) clause at FAR 52.246-4 applies to firm-fixed price orders placed under this contract. The Inspection-Time-and-Materials and Labor-Hour (JAN 1986) (Deviation – May 2003) clause at FAR 52.246-6 applies to time-and-materials and labor-hour orders placed under this contract.

7. RESPONSIBILITIES OF THE CONTRACTOR

The Contractor shall comply with all laws, ordinances, and regulations (Federal, State, City, or otherwise) covering work of this character. If the end product of a task order is software, then FAR 52.227-14 (Deviation – May 2003) Rights in Data – General, may apply.

8. RESPONSIBILITIES OF THE ORDERING ACTIVITY

Subject to security regulations, the ordering activity shall permit Contractor access to all facilities necessary to perform the requisite IT Services.

9. INDEPENDENT CONTRACTOR

All IT Services performed by the Contractor under the terms of this contract shall be as an independent Contractor, and not as an agent or employee of the ordering activity.

10. ORGANIZATIONAL CONFLICTS OF INTEREST

a. Definitions.

“Contractor” means the person, firm, unincorporated association, joint venture, partnership, or corporation that is a party to this contract.

“Contractor and its affiliates” and “Contractor or its affiliates” refers to the Contractor, its chief executives, directors, officers, subsidiaries, affiliates, subcontractors at any tier, and consultants and any joint venture involving the Contractor, any entity into or with which the Contractor subsequently merges or affiliates, or any other successor or assignee of the Contractor.

An “Organizational conflict of interest” exists when the nature of the work to be performed under a proposed ordering activity contract, without some restriction on ordering activities by the Contractor and its affiliates, may either (i) result in an unfair competitive advantage to the Contractor or its affiliates or (ii) impair the Contractor’s or its affiliates’ objectivity in performing contract work.

b. To avoid an organizational or financial conflict of interest and to avoid prejudicing the best interests of the ordering activity, ordering activities may place restrictions on the Contractors, its affiliates, chief executives, directors, subsidiaries and subcontractors at any tier when placing orders against schedule contracts. Such restrictions shall be consistent with FAR 9.505 and shall be designed to avoid, neutralize, or mitigate organizational conflicts of interest that might otherwise exist in situations related to individual orders placed against the schedule contract. Examples of situations, which may require restrictions, are provided at FAR 9.508.

11. INVOICES

The Contractor, upon completion of the work ordered, shall submit invoices for IT services. Progress payments may be authorized by the ordering activity on individual orders if appropriate. Progress payments shall be based upon completion of defined milestones or interim products. Invoices shall be submitted monthly for recurring services performed during the preceding month.

12. PAYMENTS

For firm-fixed price orders the ordering activity shall pay the Contractor, upon submission of proper invoices or vouchers, the prices stipulated in this contract for service rendered and accepted. Progress payments shall be made only when authorized by the order. For time-and-materials orders, the Payments under Time-and-Materials and Labor-Hour Contracts at FAR 52.232-7 (DEC 2002), (Alternate II – Feb 2002) (Deviation – May 2003) applies to time-and-materials orders placed under this contract. For labor-hour orders, the Payment under Time-and-Materials and Labor-Hour Contracts at FAR 52.232-7 (DEC 2002), (Alternate II – Feb 2002) (Deviation – May 2003) applies to labor-hour orders placed under this contract. 52.216-31(Feb 2007) Time-and-Materials/Labor-Hour Proposal Requirements—Commercial Item Acquisition As prescribed in 16.601(e)(3), insert the following provision:

(a) The Government contemplates award of a Time-and-Materials or Labor-Hour type of contract resulting from this solicitation.

(b) The offeror must specify fixed hourly rates in its offer that include wages, overhead, general and administrative expenses, and profit. The offeror must specify whether the fixed hourly rate for each labor category applies to labor performed by—

- (1) The offeror;
- (2) Subcontractors; and/or
- (3) Divisions, subsidiaries, or affiliates of the offeror under a common control.

13. RESUMES

Resumes shall be provided to the GSA Contracting Officer or the user ordering activity upon request.

14. INCIDENTAL SUPPORT COSTS

Incidental support costs are available outside the scope of this contract. The costs will be negotiated separately with the ordering activity in accordance with the guidelines set forth in the FAR.

15. APPROVAL OF SUBCONTRACTS

The ordering activity may require that the Contractor receive, from the ordering activity's Contracting Officer, written consent before placing any subcontract for furnishing any of the work called for in a task order.

16. DESCRIPTION OF IT SERVICES AND PRICING

Maverick Systems LLC proposes to provide IT Services under Special Item Number 132-51. These IT Services will be performed by staff holding commercial job titles (labor categories) described below at the hourly rates presented in the Pricelist that follows.

In terms of Maverick Systems LLC job descriptions, each employee is capable of delivering (in varying levels depending upon experience) Information Technology (IT) solutions consisting of integrated networks of computer/communications systems that are based on integrated approaches of management/technical phases.

Maverick Systems allows substitution of degree/coursework for actual relevant work experience according to the following guidelines:

Directly-Related Field (e.g., Computer Science, Information Systems, Electrical Engineering, Mathematics, Business)

- ◆ MS Highest Level - 4 Years
- ◆ BS Highest Level - 2 Years
- ◆ Certifications (e.g., MCSE, CNE, PMI) - 1 Year (Cumulative)

Other Field (e.g., Natural/Social Sciences, Languages)

- ◆ MS/MA Highest Level - 2 Years
- ◆ BS/BA Highest Level - 1 Year

POSITION DESCRIPTION/DUTIES

(Government Job Titles)

SENIOR DBA SUPPORT

Minimum/General Experience: At least twelve (12) years of total experience in the functional responsibility area with at least six (6) years with database management systems, system design and analysis, operating systems software, and internal and data manipulation languages. In addition to actual work experience,

Minimum/General Experience: At least sixteen (16) years of total experience in the functional responsibility area with at least five (5) years developing complex software or database systems. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Develop, manage, maintain, and evaluate current state-of-the-art computer hardware, software and software development tools; evaluate their ability to support specific requirements and interface with other equipment and systems; develop risk analysis and mitigation scenarios, and recommend system improvements. May be responsible for design/development of segments of an integrated system, or the entire system. May be Integrated Product Team member for design/development perspective; Change Control Board member.

Minimum Education: BS/BA

PRINCIPAL SOFTWARE ENGINEER

Minimum/General Experience: At least sixteen (16) years of total experience in the functional responsibility area with at least five (5) years developing complex software or database systems. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Develop, manage, maintain, and evaluate current state-of-the-art computer hardware, software and software development tools; evaluate their ability to support specific requirements and interface with other equipment and systems; develop risk analysis and mitigation scenarios, and recommend system improvements. May be responsible for design/development of segments of an integrated system, or the entire system. May be Integrated Product Team member for design/development perspective; Change Control Board member.

Minimum Education: BS/BA

PROJECT MANAGER

Minimum/General Experience: At least sixteen (16) years of total experience in the functional responsibility area with at least five (5) years at the management level. Demonstrated ability to provide guidance and direction for medium to large programs. Demonstrated ability to manage tasks, control resources, and manage funds. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Direct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, and network & system design management/technical services for technology-oriented horizontal market information technology solutions. May be Integrated Product Team member for project management perspective; Change Control Board member.

Minimum Education: BS/BA

SUBJECT MATTER EXPERT (SME)

Minimum/General Experience: At least ten (10) years of total experience with at least 5 in a specific functional responsibility area, in an ADP environment. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications. Eight (8) years of total experience accompanying a Certified Public Accountant (CPA) credential may be substituted for the Experience requirement.

Functional Responsibility: Review, analyze, and evaluate business systems and user needs. Formulate systems to parallel overall business strategies. Write detailed description of user needs, program functions, and steps required to develop or modify computer programs. Provide technical/functional expertise in specific fields pertinent to development effort. Familiar with relational database concepts, and client-server

concepts. May be Integrated Product Team member for design/development perspective; Change Control Board member.

Minimum Education: BS/BA

PRINCIPAL OPERATIONS STAFF II

Minimum/General Experience: At least sixteen (16) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Analysis & Engineering Lead. Direct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, and network & system design management/technical services for agency-wide information technology solutions.

Minimum Education: BS/BA

PROGRAM MANAGER

Minimum/General Experience: At least twelve (12) years of total experience in the functional responsibility area with at least two (2) years at the management level. Demonstrated ability to provide guidance and direction for small development programs. Demonstrated ability to manage tasks, control resources, and manage funds. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Direct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, and network & system design management/technical services for technology-oriented horizontal market information technology solutions. May be Integrated Product Team member for project management perspective; Change Control Board member.

Minimum Education: BS/BA

SENIOR DEVELOPER

Minimum/General Experience: At least twelve (12) years of total technical experience as a system software or hardware specialist. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Manage a team of software engineers to architect, design enterprise software products. Write product requirement documents, implement and track development timelines; negotiate feature sets with the development leads. Develop, maintain, and evaluate current state-of-the-art computer hardware, software and software development tools; evaluate their ability to support specific requirements and interface with other equipment and systems; develop risk analysis and mitigation scenarios, and recommend system improvements. May be responsible for design/development of segments of an integrated system, or the entire system. May be Integrated Product Team member for design/development perspective; Change Control Board member.

Minimum Education: BS/BA

SENIOR OPERATIONS STAFF II

Minimum/General Experience: At least twelve (12) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Conduct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, and network & system design management/technical services for technology-oriented horizontal market information technology solutions.

Minimum Education: BS/BA

SENIOR OPERATIONS STAFF I

Minimum/General Experience: At least ten (10) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Direct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, project support activities, and network & system design management/technical services for industry-oriented vertical market information technology solutions.

Minimum Education: BS/BA

SENIOR SOFTWARE ENGINEER

Minimum/General Experience: At least eight (8) years of total technical experience as a system software or hardware specialist. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: May lead a group of software engineers to architect, design components of enterprise software products. Write product requirement documents, implement and track development timelines; negotiate feature sets with the development management team. Develop, maintain, and evaluate current state-of-the-art computer hardware, software and software development tools; evaluate their ability to support specific requirements and interface with other equipment and systems; develop risk analysis and mitigation scenarios, and recommend system improvements. May be responsible for design/development of segments of an integrated system, or entire small-scale systems. May be Integrated Product Team member for design/development perspective; Change Control Board member.

Minimum Education: BS/BA

OPERATIONS STAFF II

Minimum/General Experience: At least eight (8) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Conduct capabilities study, business modeling, requirements analysis, technology assessment, architecture development, product evaluation, project support activities, and network & system design technical services for contract-level information technology solutions.

Minimum Education: BS/BA

ANALYST

Minimum/General Experience: At least eight (8) years of total experience in the functional responsibility area. Sufficient experience in Technical or Specific Field of knowledge to make exceptional contribution to the final product. Demonstrated ability to perform and support multiple tasks. Experience with large scale or mid-tier computer systems, including experience in a variety of DBMS' and programming languages. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Consult with users to identify current operating procedures and to clarify program objectives. Provide technical and administrative direction for personnel performing software development tasks. Must have a working knowledge of relational databases and client-server concepts. Relies on experience and judgment to plan and accomplish goals. Performs a variety of complicated tasks. A wide degree of creativity and latitude is expected. Integrated Product Team member for functional perspective; Change Control Board member.

Minimum Education: BS/BA

SENIOR TEST CONSULTANT

Minimum/General Experience: At least eight (8) years of total experience working with quality control methods and tools, including verification and validation, software testing and integration, and software metrics and their application to software quality assessment. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Establish and maintain a process for evaluating software and associated products. Develop quality assurance plans. Manage test team. Conduct quality reviews at predetermined points throughout the development process. May be Integrated Product Team member for QA perspective; Change Control Board member.

Minimum Education: BS/BA

SENIOR DOCUMENTATION SPECIALIST

Minimum/General Experience: At least eight (8) years of total experience in the functional responsibility areas. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Prepares and/or maintains documentation pertaining to programming, systems operation and user documentation. Translates business specifications into user documentation. Plans, writes, and maintains systems and user support documentation efforts, including online help screen. Familiar with a variety of the field's concepts, practices, and procedures. Familiar with Life Cycle Management concepts and their attendant documentation requirements. Relies on experience and judgment to plan and accomplish goals. Performs a variety of complicated tasks. Performs document management, QA, CM, schedule and coordination with writers. May lead and direct the work of others. Typically reports to a manager. A wide degree of creativity and latitude is expected.

Minimum Education: BS/BA

OPERATIONS STAFF I

Minimum/General Experience: At least six (6) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications:

Functional Responsibilities: Manage product acquisition, installation & configuration, application customization, testing & cutover, operations & maintenance, orientation & training, help desk assistance technical services for organization-level information technology solutions.

Minimum Education: BS/BA

SOFTWARE ENGINEER

Minimum/General Experience: At least three (3) years of total technical experience as a system software or hardware specialist, including one (1) year in the specific functional area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibility: Member of a group of software engineers to architect, design components of enterprise software products. Write product requirement documents, design/development of segments of an integrated system.

Minimum Education: BS/BA

SOFTWARE TESTER

Minimum/General Experience: At least three (3) years of total experience working with quality control methods and tools, including one (1) year performing verification and validation, software testing and integration, writing and executing test scripts, and recording requirement traceability, in an environment controlled by an established System Life Cycle methodology. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Write test scripts, using approved System Life Cycle methods, based on established requirements. Execute test scripts and report results. Participate in discrepancy reporting and resolution in accordance with established processes.

Minimum Education: BS/BA

ASSOCIATE OPERATIONS STAFF II

Minimum/General Experience: At least four (4) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Product acquisition, installation & configuration, application customization, testing & cutover, operations & maintenance, orientation & training, help desk assistance, technical services for user-level information technology solutions, technical documentation production.

Minimum Education: BS/BA

ASSOCIATE OPERATIONS STAFF I

Minimum/General Experience: At least two (2) years of total experience in the functional responsibility area. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Product acquisition, installation & configuration, application customization, testing & cutover, operations & maintenance, orientation & training, help desk assistance, technical services for user-level information technology solutions, technical documentation production.

Minimum Education: BS/BA

SERVER ADMINISTRATOR

Minimum/General Experience: At least two (2) years experience in network design and implementation, two (2) years of which must be experience in LAN/WAN network architectures, modern internet/intranet topologies and protocols, and client/server architectures. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Design and implement LANs/WANs using appropriate topologies (Ethernet, Fast-Ethernet, Token Ring, FDDI, V.35, RS-232, etc.), hardware (Bridges, Switches, Routers, Hubs,

Repeaters, CSU/DSU, MUXs, etc.), data links (HDLC, SDLC, LAPB, Frame Relay, PPP, etc.), and Network Operating Systems (NetWare, Windows NT, UNIX, etc.). Review, plan, and evaluate network systems. May troubleshoot network systems and recommend improvements to network. Provide documentation/project tracking and management reporting. Provide tactical and strategic input on overall network planning and related projects. Perform network and systems administration, protocol analysis, and troubleshooting. Ensure networks are designed and implemented in accordance with relevant specifications.

Minimum Education: BS/BA. NOS or other Certifications accompanied by two years experience acceptable in lieu of a degree.

WORD PROCESSOR

Minimum/General Experience: At least four (4) year of total experience including one (1) year in rapid turn-around word processing environment. Expert in automated word processing. In addition to actual work experience, relevant experience may also be attained through educational degrees and certifications.

Functional Responsibilities: Prepares and/or maintains life cycle management documentation pertaining to programming, systems operation and user documentation. Translates business specifications into user documentation. Maintains systems and user support documentation efforts, including online help screen. Familiar with a variety of the field's concepts, practices, and procedures. Familiar with Life Cycle Management concepts and their attendant documentation requirements. Performs a variety of complicated tasks. Performs document management, QA, CM, schedule and coordination with writers. Typically reports to a manager.

Minimum Education: High school graduate

**USA COMMITMENT TO PROMOTE
SMALL BUSINESS PARTICIPATION
PROCUREMENT PROGRAMS**

PREAMBLE

Maverick Systems LLC provides commercial products and services to ordering activities. We are committed to promoting participation of small, small disadvantaged and women-owned small businesses in our contracts. We pledge to provide opportunities to the small business community through reselling opportunities, mentor-protégé programs, joint ventures, teaming arrangements, and subcontracting.

COMMITMENT

To actively seek and partner with small businesses.

To identify, qualify, mentor and develop small, small disadvantaged and women-owned small businesses by purchasing from these businesses whenever practical.

To develop and promote company policy initiatives that demonstrate our support for awarding contracts and subcontracts to small business concerns.

To undertake significant efforts to determine the potential of small, small disadvantaged and women-owned small business to supply products and services to our company.

To insure procurement opportunities are designed to permit the maximum possible participation of small, small disadvantaged, and women-owned small businesses.

To attend business opportunity workshops, minority business enterprise seminars, trade fairs, procurement conferences, etc., to identify and increase small businesses with whom to partner.

To publicize in our marketing publications our interest in meeting small businesses that may be interested in subcontracting opportunities.

We signify our commitment to work in partnership with small, small disadvantaged and women-owned small businesses to promote and increase their participation in ordering activity contracts. To accelerate potential opportunities please contact Marjorie Allison, Maverick Systems LLC; 303-752-4900 or 303-309-3068; mallison@mavericksystems.net; fax 303-752-4902.

BPA NUMBER _____

(CUSTOMER NAME)
BLANKET PURCHASE AGREEMENT

Pursuant to GSA Federal Supply Schedule Contract Number(s) _____, Blanket Purchase Agreements, the Contractor agrees to the following terms of a Blanket Purchase Agreement (BPA) EXCLUSIVELY WITH (ordering activity):

(1) The following contract items can be ordered under this BPA. All orders placed against this BPA are subject to the terms and conditions of the contract, except as noted below:

MODEL NUMBER/PART NUMBER	*SPECIAL BPA DISCOUNT/PRICE
_____	_____
_____	_____
_____	_____

(2) Delivery:

DESTINATION	DELIVERY SCHEDULES / DATES
_____	_____
_____	_____
_____	_____

(3) The ordering activity estimates, but does not guarantee, that the volume of purchases through this agreement will be _____.

(4) This BPA does not obligate any funds.

(5) This BPA expires on _____ or at the end of the contract period, whichever is earlier.

(6) The following office(s) is hereby authorized to place orders under this BPA:

OFFICE	POINT OF CONTACT
_____	_____
_____	_____
_____	_____

(7) Orders will be placed against this BPA via Electronic Data Interchange (EDI), FAX, or paper.

(8) Unless otherwise agreed to, all deliveries under this BPA must be accompanied by delivery tickets or sales slips that must contain the following information as a minimum:

- (a) Name of Contractor;
- (b) Contract Number;
- (c) BPA Number;
- (d) Model Number or National Stock Number (NSN);
- (e) Purchase Order Number;
- (f) Date of Purchase;

(g) Quantity, Unit Price, and Extension of Each Item (unit prices and extensions need not be shown when incompatible with the use of automated systems; provided, that the invoice is itemized to show the information); and

(h) Date of Shipment.

(9) The requirements of a proper invoice are specified in the Federal Supply Schedule contract. Invoices will be submitted to the address specified within the purchase order transmission issued against this BPA.

(10) The terms and conditions included in this BPA apply to all purchases made pursuant to it. In the event of an inconsistency between the provisions of this BPA and the Contractor's invoice, the provisions of this BPA will take precedence.

BASIC GUIDELINES FOR USING "CONTRACTOR TEAM ARRANGEMENTS"

Federal Supply Schedule Contractors may use "Contractor Team Arrangements" (see FAR 9.6) to provide solutions when responding to a ordering activity requirements.

These Team Arrangements can be included under a Blanket Purchase Agreement (BPA). BPAs are permitted under all Federal Supply Schedule contracts.

Orders under a Team Arrangement are subject to terms and conditions or the Federal Supply Schedule Contract.

Participation in a Team Arrangement is limited to Federal Supply Schedule Contractors.

Customers should refer to FAR 9.6 for specific details on Team Arrangements.

Here is a general outline on how it works:

- The customer identifies their requirements.
- Federal Supply Schedule Contractors may individually meet the customers needs, or -
- Federal Supply Schedule Contractors may individually submit a Schedules "Team Solution" to meet the customer's requirement.
- Customers make a best value selection.
